for the complete text of the ANNOUNCEMENT please consult <http://www.eci.countryeurope.net/> and www.meridaunia.it

AIMS OF THE ACTION

The Project of transnational cooperation "European Country Inn" provides for the implementation of actions to promote territorial, tourism and culinary excellence of the partner areas in some European capitals. Specifically, the partnership expressed its willingness to perform some of these activities in Bruxelles.

BAN ACTIVITIES

The person selected will have to:

- a) make an analysis of Market
- b) identify at least four points of exposure / tasting of the products of the partner territories within Delicatessen and / or dining in Bruxelles;
- c) deal directly with the exposure points / tasting
- d) identify the inn of rural Europe in Bruxelles (preferably a restaurant, with 50 seats) and deal directly with the inn;
- e) implement at the inn, at his own expense, an event with the following minimum elements:
 1. Show cooking during a dinner for a minimum of 50 people. The beneficiary will have to invite to the event buyers or stakeholders, press, bloggers,
 2. Workshops dedicated to the products of the partners territories
 - Menu with typical products made from traditional recipes
 - Introduction of the territories to promote the combination of product / territory
- f) take charge of the first supply of local products that will be used during the event and of those that will be kept in exposition and tasting at the delicatessen for a minimum amount of 10,000 Euros. These products can be used for exhibition and tasting but not be allowed to be sold;
- g) attend to the logistic, all the management aspects and practical assistance of all the events that will be implemented in Belgium

AMOUNT: € 35,000.00 (vat and tax included)
